2017

APPLICATION FOR THE 2017 CANADA'S TOP 100 EMPLOYERS PROJECT

Dear Employer:

We invite your organization to apply to the 2017 Canada's Top 100 Employers project. Attached is the application form for the national competition, plus 19 regional and special-interest competitions (see below) managed through our annual project. Employers complete a single application for all the competitions.

Over the summer, our editorial team will review your application to determine how your organization compares to others in your industry and region. We look for interesting employers, both large and small, with innovative programs to attract and retain talented employees.

Employers chosen for this year's *Canada's Top 100 Employers* list will be announced in a special magazine published in print and online in The Globe and Mail this fall. Our editors' official Reasons for Selection, detailing why each winning employer was selected, will be published simultaneously on our widely visited job search engine, Eluta.ca. Winners of our regional and special-interest competitions will be announced by our newspaper and magazine partners beginning later in the fall.

Publishing detailed Reasons for Selection is a distinguishing feature of our project; last year, our editorial team wrote more than 400,000 words explaining our choices. We take the time to write out lengthy Reasons for Selection so other employers can note these "best practices" and improve upon them each year. By publishing written reasons, we also aim to provide job-seekers with a better understanding of what leading employers offer, while providing transparency in the selection of winners.

There are two main qualifications to be considered for this year's competition: (1) your organization must be an industry leader in attracting and retaining quality employees; and (2) your organization should offer reasonable employment prospects —

we write from a job-seeker's perspective. Please consider these criteria carefully before you begin the application, which is time-consuming and thorough.

Keep in mind that no employer offers every perk and benefit we ask about in this application — our job is to seek out current best-practices and, to do this, we need to ask a lot of questions. We have also continued the application fee introduced in 2002 to offset the costs of managing the competition and the review process. (A letter explaining the fee is available online.)

The deadline for receipt of completed applications is April 22, 2016. Please be judicious in including ancillary materials (e.g. in-house newsletters, press clippings, benefit plan booklets, annual reports). If you have questions, please contact us by email or telephone.

On behalf of our entire editorial team, thank you for your interest in this year's *Canada's Top 100 Employers* project. We look forward to reviewing your application!

Yours very truly,

Richard Yerema, Managing Editor richard.yerema@mediacorp.ca

Yours very truly,
